## **Dave Cooper Promotion**

BOSTON, MA (June 3, 2013): New England Retail Express ([www.NERetailExpress.com](http://www.NERetailExpress.com)) today announced the promotion of Dave Cooper to Regional Manager for NERE MidAtlantic.

“I am very proud to announce this promotion,” said New England Retail Express President Geoff Chasin. “ Dave has been with NERE for over 20 years, and has always done a stellar job. Has been the terminal manager for both our Sterling, VA and our Manassas, VA operations. Since we just opened warehouses in both Charlotte, NC and Raleigh, NC, it only seemed natural for Dave to oversee these operations as well.”

Since 1981, the company has handled over 20 million shipments from coast to coast, offering long distance and final mile transportation, white glove services, warehousing, inventory management, pick+pack, and much more.

Working as an extension of its client logistics services, New England Retail Express operates 12 facilities in 10 states, handling consumer and industrial merchandise of all types.

The company is headquartered in Stoughton, MA.

### **About New England Retail Express**

Privately-held New England Retail Express is a logistics and supply management service provider. For over 30 years, businesses nationwide have relied on our professional logistics and transportation services with a reputation for outstanding customer service.
